These expenses include, without limitation travel costs, which vary considerably with the season and amount of time available to make travel plans; Home Study (for out-of-state clients); or certification/authentication fees charged by other parties, which can vary greatly from state to state. While MAA's U.S. stateside agency fees will not change during your adoption, all other fees, including foreign program fees are subject to changes beyond our agency's control. The costs of any of these expenses are in the control of third parties over whom MAA has no control, and, therefore, the costs could change at any time. MAA assumes no liability if the actual cost of any of the expenses estimated therein exceeds estimates.
